

Islamic Association of Lewisville-Flower Mound

To Whom It May Concern

Friday is considered the most important day of the week in the Islamic faith and is designated for the weekly sermon and congregational prayer service. It is essential that Muslims of all ages attend this service. At the Islamic Association of Lewisville/Flower Mound located at 3430 Peters Colony Road, Flower Mound, the service is held every Friday from 1:30 PM – 2:30 PM, and students will need to leave school by 1:15 PM to attend the prayer on time.

Please note that the time of the Friday service is fixed throughout the year and will not change due to Daylight Savings Time.

Please excuse the student named on this letter every Friday throughout the year during this specified time from their Friday classes so that they may attend the service. If there is a test scheduled during this time, the student is willing to reschedule as per the teacher's direction. In addition, the student will submit assignments earlier or later in the day to ensure that no assigned work is missed.

We thank you for your understanding and support in accommodating our students' religious obligations. If you have any questions or need additional information, please feel free to contact us via email at bod@ialfm.org
